

# Bowel Mover

DIGESTIVE AND DRAINAGE SUPPORT\*

## KEY BENEFITS

- Promotes gentle bowel relief\*
- Provides natural digestion support\*
- Supports gut and immune health\*

## PRODUCT DESCRIPTION

Opening drainage pathways is the first step of every CellCore protocol to ensure effective detox and lessen unwanted reactions.\* Regular bowel movements are an essential component of promoting drainage, supporting the body's natural detoxification processes, and removing substances from the body.

Bowel Mover is a natural digestive aid that promotes healthy gut motility and provides non-habit-forming support to help keep the bowels moving regularly.\* This product contains a proprietary blend of a dozen

herbs in specific ratios combined with BioActive Carbon® Technology's fulvic acid extracts for maximum effectiveness.

The twelve botanicals — including aloe vera leaf powder, black walnut hull, and ginger root — have beneficial nutrients that nourish the gut microbiome and work together to aid water absorption in the stool.\* By supporting natural bile secretion and intestinal peristalsis, Bowel Mover will help encourage soft stools that are easy and comfortable to eliminate.\*

## LABEL INFORMATION

**Directions:** Take 1 capsule twice daily, or as otherwise directed by a healthcare practitioner.

**CAUTION:** Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child. Store in a cool, dry place.

**KEEP OUT OF REACH OF CHILDREN.**

**WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

**NOTICE:** This product contains Aloe Vera, Cascara Sagrada, Chinese Rhubarb & Senna. Read and follow directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Aloe Vera, Cascara Sagrada, Chinese Rhubarb & Senna may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
